SISTERS EUPHROSINE AND DOLORES.

The Mother Superior Expresses Regret That They Cannot Remain in Socorro.

The following letter was received in answer to a petition that Sisters Euphrosine and Dolores be allowed to remain in Socorro, viz:

LORETO MOTHER-HOUSE.
Nerinx, Ky., August 31, 1903.
Don Juan Jose Baca, Pre't,
Society of the Knights of St. Michael,
Socorro, New Mexico.

Dear Sir:

Your esteemed favor of the 24th instant enclosing petition from the Catholic inhabitants of your city has been duly received and contents noted with pleasure and with regret; pleasure and satisfaction to know how much you appreciated good Sisters Euphrosine and Dolores; regret that we do not find it expedient to comply with your wishes, as the affairs of our community necessitate such changes every few years. You may of course miss the good Sisters for a time. It is natural that you learn to love and esteem those who have lived in your midst and been so long associated with yourselves and families. However, the good work will continue and you will find in Sister Rosaline a worthy Superior and that she will endeavor to carry on the work begun by her predecessor.

You can assure the good people of Socorro that we certainly appreciate your interest in the Sisters and we sincerely hope that you will continue to give them the substantial aid and patronage so necessary to carry on the school as it should be conducted.

Wishing you every blessing and success, I am, dear Sir,

Yours sincerely in Christ,
MOTHER PRAXEDES,
Superior.

Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free.

Death of Mrs. Asencion Baca.

Mrs. Asencion Baca, mother of County Treasurer H. G. Baca and Deputy C. A. Baca, died at the family home in Frisco, Wednesday, September 2, at 7 o'clock a. m. The good lady suffered a long and painful illness during which she was blessed with the devoted attention of husband and sons. Funeral services were conducted in the Methodist church at Escondida yesterday and the remains were laid to rest in the cemetery near the village. Deceased was born at Escondida in May, 1843, and was the daughter of Jose Antonio Baca y Pino and Petra Pino. She was married at Escondida in 1861. Her husband, Jose Baca, and two sons, also four brothers and four sisters, survive to mourn her loss. Peace be to her memory.

GIRLS' CHORAL CONCERT.

An Excellent Entertainment before An Appreciative Audience.

The girls' choral, organized a few months ago under the direction of Mrs. Chas. F. Taylor, gave its first concert at the opera house Thursday evening before one of the best and most appreciative audiences that have assembled in Socorro in many days. The entertainment was a decided success in every respect.

Miss Pearl Berry, dressed in Grecian costume, made a decided hit with her Delsarte exercise. Her effort was rewarded with an enthusiastic encore. Miss Gladys Coon's contralto solo was well received by music-lovers and was also heartily encored. Miss Alice Wattlet's reading of "The Night Wind" showed excellent power of expression and greatly pleased the audience. The "Japanese Love Scene" by Misses Beatrice Sleight and Edith Kutner was one of the most favored exercises of the evening. Many expressions of praise were heard for the chorals. Miss Stalla Ramsey as accompanist did as well as anybody could possibly do with a wrecked piano. W. M. Swisher acted as general manager and is entitled to a large share of credit for the success of the entertainment.

It is to be hoped that Mrs. Taylor and her class of girls will favor the public again in the near future.

Fair Argument for Statehood.

In October W. R. Hearst and a party of congressmen from the east are going to make a tour of the territories to gather impressions for the next statehood fight. That the fight is coming no one doubts and the members of congress who come to New Mexico will be in a position to speak intelligently which ever side they may take in the conflict. We who know New Mexico believe that the whole party will go away convinced that we are fitted to be a free people. Mr. Hearst and his party will close their trip by spending three days at the territorial fair in Albuquerque October 12th to 17th, and after that there is little doubt that they will be convinced that New Mexico ought to be admitted to the union; for the very best that the territory affords in agriculture, minerals, fruits, stock and industries will be on exhibition there, backed up by the presence of great crowds of the people of New Mexico. The fair will be an argument for statehood that will be hard to answer.

Teacher's Examinations.

The examination of applicants for teacher's certificates was concluded Thursday. Certificates have been issued to the applicants as follows: First grade to Misses Mary E. Foresman, Della M. Schmidt, and Rosa H. Schmidt; second grade to Miss Alice Wattlet and Messrs. Ciriaco Jojola, Eliseo M. Chavez, Candelario B. SUNDAY MORNING FIRE.

Residence of Dominic Tabacchi Burned. —Work of an Incendiary.—Some Insurance.

The wild clanging of the fire bell roused the citizens of Socorro from their slumbers at about one o'clock Sunday morning. The residence of Dominic Tabacchi in the western part of the city, recently finished and newly furnished, was seen to be in flames. The hose company was quickly at the scene, but it was then discovered that the wrenches had been taken from their place on the hose cart. This caused considerable delay and the result was the house and also the barn were practically ruined. The loss is only partly covered by insurance. The case seems all the worse from the fact that Tabacchi by dint of industry and economy had just finished and furnished the house. In fact he was at Cat Mountain, where he had gone to fetch his wife to the new home, when the fire occurred. The fire was plainly the work of incendiaries. The ceiling, walls, and floors of the rooms were thoroughly saturated with coal oil. The hose cart had also been tampered with to make the destruction sure. Such occurrences have been quite too common in Socorro of late for a feeling of peace and security on part of the average citizen.

Low Rate on Horses.

The Santa Fe railroad has made a rate of one fare for the round trip on all horses intended for exhibition purposes at the Territorial fair to be held in Albuquerque October 12th to 17th. This includes outlay horses which are intended to enter the contest for the purses offered for the fiercest outlaws in the southwest. The freight on all horses must be paid from the shipping station to Albuquerque and they will be returned free of charge. This applies to cow ponies, broncos and outlaws. If only one horse is shipped the rate will be charged at 2,000 lbs., two horses 3,500 lbs., three horses 5,000 lbs., and each additional animal at 1,000 lbs. The agent at Socorro has the rate to Albuquerque and will be glad to furnish it on application. This will make it easy money for the men in this county to enter the contests at the fair. P. F. McCanna at Albuquerque will be glad to furnish any further information that may be desired.

A Purgative Pleasure.

If you ever took DeWitt's Little Early Risers for biliousness constipation you know what a purgative pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not gripe, sicken or weaken, but give tone and strength to the tissues and organs involved. W. H. Howell of Houston, Tex. says "No better pill can be used that Little Early Risers for constipation, sick headache, etc." Sold by A. E. Howell.

Rev. T. P. O'Keefe, formerly priest of this parish, spent Sunday in Raton and was warmly greeted by his many friends. Father O'Keefe is now chaplain of the Twelfth United States cavalry, and was on his way from San Antonio, Tex., to San Francisco, from where he will sail for Manila; his regiment having been ordered to the Philippines.—Raton Reporter.

W. E. KELLEY'S CHANCES GOOD.

His Appointment to the Vacant Judgeship Would Be a Fitting Tribute to His Qualifications and Long Service.

Attorney W. E. Kelley of this city is a candidate for appointment to the vacant judgeship of this district and according to latest advices his chances of securing the appointment are good. The choice of Judge Kelley for the position would be a fitting tribute to his legal qualifications and to his long service as a lawyer and as a Republican. He has been in the active practice of his profession in Socorro for more than twenty years. Few men in the district, therefore, or in New Mexico, certainly none outside of New Mexico, surpass him in the qualifications that are essential to a successful discharge of the duties of the honorable position to which he aspires.

The Chattanooga Advertising.

The Chattanooga Medicine Company, with laboratories and general offices at Chattanooga, Tennessee, and branch houses at St. Louis, Mo., and San Francisco, Cal., has become one of the largest proprietary medicine concerns in the world. In the growth of this great business two factors have been dominant: The merit of its products—Wine of Cardui and Thedford's Black-Draught—has been widely recognized and the original advertising methods adopted have excited great comment. The publicity for these medicines does not consist of the catch phrase and extravagant statement, too often employed in advertising to-day, but instead the plain story of experience with the medicines given in the plain language of the people themselves. The following letter is a fair sample of the thousands of Wine of Cardui testimonials published during the past twenty years.

2068 Eastern Avenue,
Cincinnati, Ohio, May 20, 1902.

I consider Wine of Cardui a most excellent woman's remedy. It is certainly as specific as a tonic and regulator. For eight years I suffered with female trouble. I had intense pain in the back and head, leaving me so weak that I was unable to stand at times. Medicine did not seem to help me, but after all remedies had failed me Wine of Cardui proved my one great, true friend. What a relief I experienced! It came only a few days after I started taking it. I used it faithfully for four months and gradually grew stronger and better. I am now regular to the day and for the past two years have enjoyed blessed good health. I certainly wish every sick and suffering woman could know of your blessed medicine, how much pain and suffering it would prevent, and what a difference it would make in thousands of homes where there is sickness and sorrow today, if they had Wine of Cardui it would bring relief and joy instead.

Distress After Eating Cured.

Judge W. T. Holland of Greensburg, La., who is well and favorably known, says: "Two years ago I suffered greatly from indigestion. After eating, great distress would invariably result, lasting for an hour or so and my nights were restless. I concluded to try Kodol Dyspepsia Cure and cured me entirely. Now my sleep is refreshing and digestion perfect." Sold by A. E. Howell.
